

# Complete Degreaser & Cleaner

## PRODUCT USES

Premium, R-T-U kitchen degreaser that quickly penetrates and removes tough soils from grills, ovens and stainless-steel surfaces. Premium, concentrated general purpose kitchen degreaser & floor cleaner.

## OPERATOR BENEFITS

- Use full strength for tough soils or dilute for daily cleaning & mopping.
- Fast-acting on heated surfaces to reduce cleaning time.
- Safe for use on stainless steel & most kitchen equipment.

## DIRECTIONS FOR USE

**DO NOT USE ON ALUMINUM. WEAR RUBBER GLOVES, EYE PROTECTION, AND A LONG-SLEEVED SHIRT WHEN USING THIS PRODUCT.**

### Preparing Kitchen Degreasing & Floor Cleaning Solution

1. Dilute Complete Degreaser & Cleaner using an automatic chemical dilution system or by adding 2-4 oz per gallon of water.

### Kitchen Degreasing

1. Spray solution onto the surface being cleaned.
2. For heavier soils, allow a couple of minutes for the solution to penetrate the soils and wipe the surface clean.
3. Repeat if necessary.

### Kitchen Floors

1. ALWAYS place wet floor signs at the entrances prior to mopping!
2. Apply the solution using a clean mop rinsing and wringing the mop frequently.
3. Rinse the floor using a clean mop and clean water.
4. Allow floor to air dry.

## PRODUCT SPECS
